

Gladhands

ALUMINUM

- Machined aluminum castings
- Powder-coated clamps on service & emergency styles
- Permanent clamp screws
- Full-face rubber seals
- Stainless steel filters (where indicated)
- Meets or exceeds SAE J318 standard specification

1011	Aluminum Universal Standard Gladhand (5 pack)	\$16.95
1011F	Aluminum Universal Standard Gladhand w/ Filter (5 pack)	\$23.95
1011S	Aluminum Service Gladhand (5 pack)	\$16.95
1011SF	Aluminum Service Gladhand w/ Filter (5 pack)	\$23.95
1011E	Aluminum Emergency Gladhand (5 pack)	\$16.95
1011EF	Aluminum Emergency Gladhand w/ Filter (5 pack)	\$23.95

POWDER COATED

- Tough powder coating improves wear & corrosion resistance
- Vividly colored to provide improved identification of service & emergency lines
- Stainless steel clamp and hardware eliminate corrosion of these critical mating surfaces
- Fine mesh, stainless steel filter
- Polyurethane seals resist oil, chemicals, provide improved sealing & service life
- Meets or exceeds SAE J318 standard specification

1012E	Powder Coated Emergency Gladhand (5 pack)	\$32.55
1012S	Powder Coated Service Gladhand (5 pack)	\$32.55

Gladhand Seals

10111-25	Surface Seal Type Rubber (black / 20 count)	\$8.15
101114	Traditional Type Poly Seal (black / 10 count)	\$8.00
101115R	Traditional Type Poly Seal (red / 10 count)	\$8.00
101115B	Traditional Type Poly Seal (blue / 10 count)	\$8.00
